

Name : Murakonda Shravani

Student ID : 16221927

Class ID : 34

Course:ASE

Lab No : 3

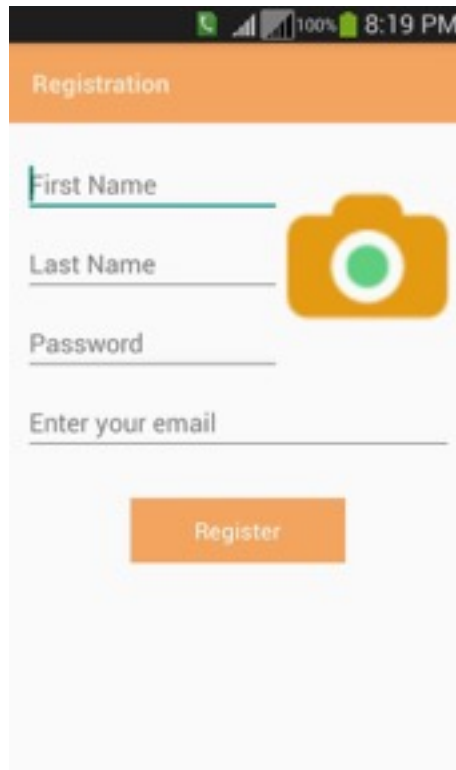

Date : 10th Feb 2016

Login Credentials

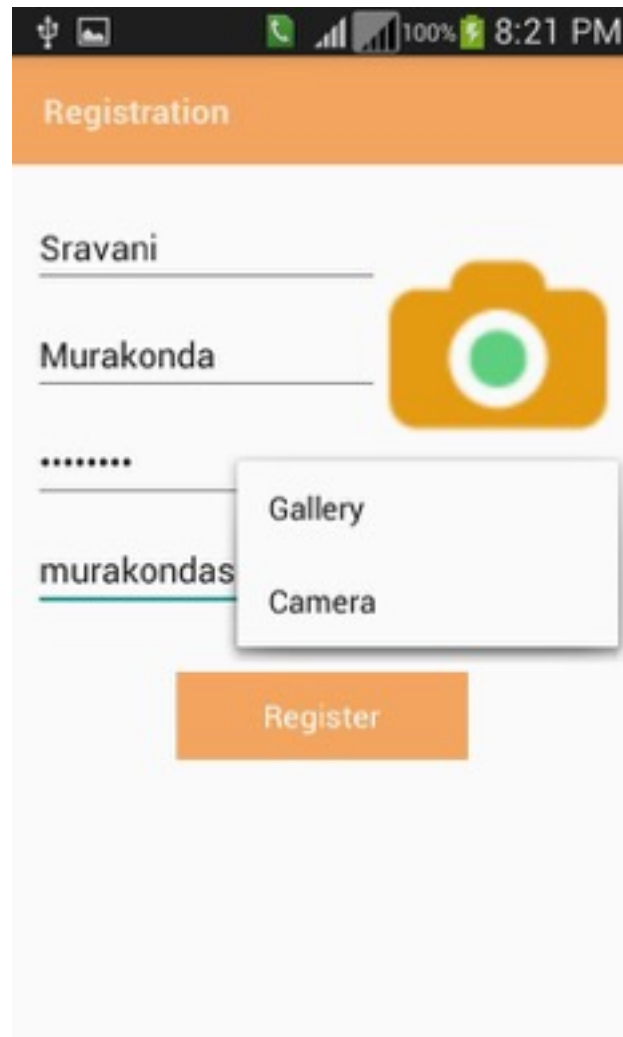

Directly open the application and register into the application as a new user with the details.

Application Steps :

Step : 1 Registration Page : Application opens with Registration page with the following options like First Name, Last Name, Password and Email ID.

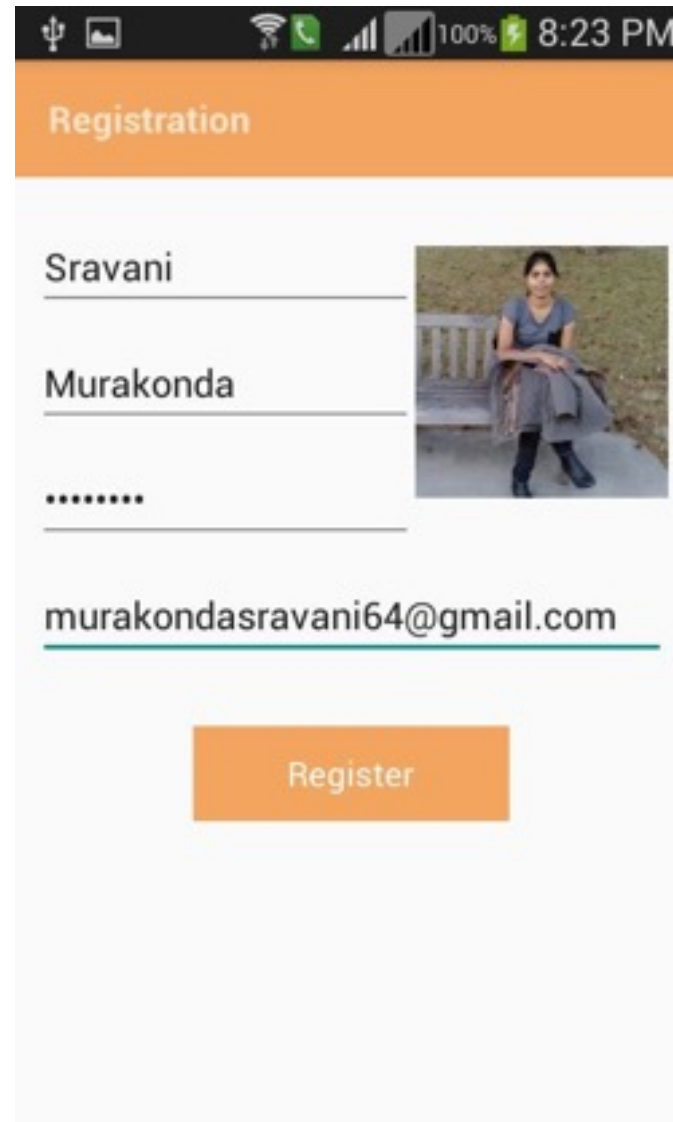

Step : 2 Selecting Profile Picture : After entering all the details, User selects profile picture through camera or from already existing photos.

Step 3 : Alert Message for Mandatory Fields : We need to fill all the details for registering into the application. If we don't give all the details the application will highlight the alert message for the field.

The screenshot shows a mobile application interface for registration. At the top, there is a status bar with various icons and the time 8:24 PM. Below the status bar is an orange header with the word "Registration". The main form area has a light gray background. It contains several input fields: a text field with "Sravani", a text field with "Murakonda", a password field with "*****", and a text field with the placeholder "Enter your email". To the right of the first three fields is a profile picture of a woman sitting on a bench. Below the "Enter your email" field, there is a red exclamation mark icon and a black button labeled "Enter email". At the bottom of the form is an orange button labeled "Register".

Step 4 : Final Registration Page : After filling all the details and uploading the profile picture the application user interface will look as follows.

The screenshot shows a mobile application interface for registration. At the top, there is a black status bar with icons for USB, camera, Wi-Fi, signal strength, and battery level (100%), along with the time 8:23 PM. Below the status bar is an orange header with the word "Registration" in white. The main form area has a light gray background. It contains four input fields: a text field with "Sravani", a text field with "Murakonda", a password field with seven dots, and a text field with "murakondasravani64@gmail.com". To the right of the first three fields is a profile picture of a woman sitting on a bench. At the bottom of the form is an orange "Register" button.
